Chrismon Update

I regret to inform everyone that there is a delay with our Chrismon Order. The order was so large plus there were so many orders ahead of us that the Lady simply cannot get all of the ornaments out to us this year. She is working diligently to get what she can to us as soon as possible and we will display these as they come in before we place on the tree so you will see what you ordered and how beautiful they are. Remember these are all **Hand Made** and very time consuming so I pray that you all will be patient and understanding. If you have any questions please let me know.
